Finance Minister Arun Jaitley on Tuesday said that since last few years Indian economic growth is on a high trajectory. The country aspires to hasten the pace of development, he added.

The Union Finance Minister was addressing the ongoing two-day long India-Korea Business Council meeting in Delhi.

During the event, the Finance Minister also unveiled the logo of third annual meeting of Asian Infrastructure Investment Bank this year in Mumbai.

"AIIB has come up well within very short time", he said.

Earlier, Prime Minister Narendra Modi addressed the event and said that India already largest economy by purchasing power and it would soon become the world's fifth-largest GDP.

"We are also the fastest growing major economy of the world today and a nation with up eco-systems", he said while addressing the second India-Korea Business Summit :

India and Korea are the third and fourth largest economies in Asia.
